The expiration date of your subscription is printed on the top line of the mailing label on this book and is indicated as S2023, S2024, etc., followed by the month of the expiration. An example would be S202312, which means that your current subscription will expire at the end of December 2023. We are currently mailing six (6) printed books each year. The cost of printing and mailing these books is such that we can no longer mail them to folks who are not purchasing. If you have not purchased from The Cutting Edge® anytime during the past twelve (12) months, you will need to subscribe as follows:

- KL — Annual Subscription - within the USA — $15.00
- KL-INT — Annual Subscription - International — $30.00

If you are receiving an email notice of a posted PDF of the book, you will continue to receive that email as long as the email address we have for you works. If you do not currently receive an email with a link to this catalog and wish to, send an email to ce-info@cuttingedge.com or call 800-965-6433 (email works best) and tell us to email you that link each time a new book is going into the mail.

When you find one or more knives that you would like to purchase, make a phone call to 800-965-6433 between the hours of 8:30 a.m. and 4:30 p.m. CT Monday – Friday. There is only one of each of these knives and some will go quickly. Orders for these knives cannot be placed online. We can charge your purchase to Visa, Mastercard or Discover, or we can hold a knife for up to ten business days to allow you to send a personal check.

cuttingedge.com continues to be very active, with new knives added on the Wednesday closest to the 1st of the month, and sometimes on Wednesday of the 3rd or 4th week of the month. Prices on knives that have been listed on cuttingedge.com more than one month are reduced on the Wednesday closest to the 15th of each month.
